WHAT WE NEED

Donations: It will not be news to you that this is a particularly difficult time for the children of our community. Funds are needed to support distance learning, supplemental programming like world languages and catch-up tutoring. Please donate now at www.LEFforstudents.org and your contribution will directly fund one of our many programs.

Connections: Do you have an opportunity for students, know a good partner or want to share an idea with LEF? Drop us a line at LEFforstudents@gmail.com and we will be in touch!

Volunteers: Are you interested in making a difference in the lives of area children? LEF is a small but mighty group of committed volunteers that want to create opportunities for the young people. We are seeking members at the board, committee and project level to join our team. Find out more at www.LEFforstudents.org.
