

# Why should you take advantage of free school meals?

- Extend your food budget
- Reduce your meal prep time
- School meals are familiar and comforting to kids
- Free meals are for all families
- Help school food service stay financially afloat
- Keep school cafeteria staff employed
- You are not taking meals away from others who need it more
- Meals are for all children age 18 and under

The USDA is fully reimbursing costs for all meals through December 31st, 2020.
