Sparkler Learning Resources for Connecticut School District Websites and Social Media

An advertisement for the Sparkler app. On the left, a man and a young child walk away from the camera on a path during a sunset. In the center, a smartphone displays the app's interface, which includes the ASQ-3 logo, a photo of a child, and the text "Let's see how much Leo has grown!" and "Get Started!". To the right of the phone, the text reads "How's Your Child Doing?" followed by "Download sparkler for free today to check in on the development your 0-5 year old's heart, mind, body, and words with the Ages & Stages Questionnaires® and to find fun ways to learn through play together!". Below this is the URL "Learn more: playsparkler.org/connecticut". At the bottom, there are logos for "Available on the App Store", "GET IT ON Google Play", the "Connecticut Office of Early Childhood", and a "2-1-1 Child Development" logo.

Get started with Sparkler:

Download: If you have an Android smartphone or tablet, download [Sparkler from the Google Play Store](#). If you use an iPhone or iPad, download [Sparkler from the Apple App Store](#).

Register: Open the app and tap “Create a New Account.” Enter **1-6-0-0** as your provider key. Pick Family in the “Group” drop-down menu. Answer the questions to create an account for yourself and a profile for your child. You must enter your child’s birthday correctly because Sparkler assigns screenings and other content based on your child’s age. You’ll be asked for a “provider key” to link you with your school/provider. Please skip this step for now!

Questions? Please email Sparkler at support@playsparkler.org.
